HIGH SCHOOL PROGRAMS APRIL NEWSLETTER

NVC DUAL CREDIT UPDATES

Midterm grades have been posted for Spring 2025. Check your aces account to view your midterm grades. Click [here](#) to see how to check your midterm and final grades.

COMPLETE OUR DUAL CREDIT SURVEY

Northwest Vista College is participating in the Dual Enrollment Survey of Student Engagement (DESSE), a national survey of institutional practices and student behaviors of high school students. DESSE is an initiative from the Center for Community College Student Engagement at The University of Texas at Austin. NVC has used the Center's CCSSE results for many years to better understand our students' experiences and identify improvement opportunities. The DESSE results will help us better understand the experiences of our dual credit students. The survey is open and will be available until the second week of May 16th. Students will need their 9 digit NVC Banner ID to access and complete the survey. Please note: Only currently registered NVC Dual Credit students can complete this survey. Survey link: www.cccse.org/d/nwvista

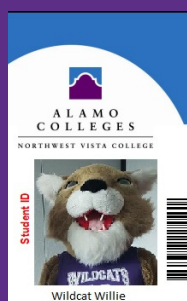

STUDENT RESOURCE "BRAINFUSE"

Northwest Vista College, in partnership with Brainfuse, offers all students (students taking face to face, hybrid, or online courses) 300 minutes (5 hours) of free online tutoring services per semester. Watch this video and learn how to access [Brainfuse](#).

RECAP: DUAL CREDIT PARENT NIGHT

We were thrilled to host our Dual Credit Student/Parent Night, where our community could discover the amazing opportunities provided by our Dual Credit Program! The event was a tremendous success. Families were able to gain valuable insights into how students can earn college credits while still in high school, giving them a head start on their academic paths. Additionally, we offered a variety of college resources to help students learn about the support available to them during their enrollment in the program and after they graduate from high school.

GET YOUR STUDENT ID

NVC offers all high school students currently enrolled at NVC the opportunity to receive a FREE NVC Student ID. Scan the QR Code or click [here](#) for more information.
