Brianna Villanueva

Dental Assisting

“Don’t be pushed around by the fears in your mind. Be led by the dreams in your heart.”

-Roy T. Bennet

Brianna Villanueva is a full-time student born and raised in San Antonio, Texas. She is a dog mom to a 6-year-old cocker spaniel named Fiona, and a one-year-old Chihuahua-dachshund mix named Daisy. Brianna always knew helping people feel confident about their smile would be rewarding and wanted to work in the field of dentistry.

Brianna started taking prerequisites required for the Dental Assisting Program at San Antonio College in Fall 2018 after graduating from Thomas Jefferson High School. Brianna was accepted into and started the Program in Fall 2019 and will be graduating with an associate degree and certificate in May 2020. She plans to work as a dental assistant at a pediatric office and is considering continuing her education to become a dental hygienist.
