SAN ANTONIO COLLEGE

Gail Stewart

Speech

“Without purpose, there is no vision.”

-Anonymous

In 2017, Gail Stewart started her journey to continue her education and to receive an associate degree in speech. She first started as a business administration major but took an Interpersonal Speech class and fell in love with it. She then decided to switch her major. Never letting distractions get the best of her, she has consistently appeared on the President's and Dean's List every semester.

Through the guidance and mentorship of professors in the speech program, she has utilized opportunities to give speeches and mentor other college students who want to obtain a degree in speech. This confidence has given her the ability to be a student leader within the Alamo Community Colleges District. Gail will be graduating with her associate degree and will attend Texas State University in the fall of 2021.
