San Antonio College Alma Mater

We are San Antonio College, and singing side by side

We hail our Alma Mater with loyalty and pride!

Tho we all might be quite different, our unity abounds

And to San Antonio College our grateful song resounds.

To all our sons and daughters, proud offspring of the mind,

To all who teach and lead us to serve all humankind,

To future generations and those who've gone before,

To San Antonio College we'll sing praises evermore!

American Sign Language (ASL) interpreting services provided by the ASL Glee Club and ASL Interpreter-Training program.

Special thanks to H-E-B for the beautiful flowers for our commencement ceremony.

About San Antonio College

Founded in 1925, San Antonio College is the oldest two-year college in Texas, one of the largest single-campus community colleges in the state and nation, and the largest within the Alamo Colleges District.

Winner of the 2021 Aspen Prize for Community College Excellence, SAC is designated as an official Hispanic Serving Institution. It recently received the prestigious Seal of Excelencia certification for intentional, data-informed work to support its Latino student population. SAC also serves one of the largest student veteran populations in the state and has been honored multiple times with the Veteran Education Excellence Recognition Gold Award from the Texas Veterans Commission.

SAC offers courses in the arts and sciences and professional/technical fields and is a leader in online education. For more information, visit: alamo.edu/sac.

MESSAGE FROM THE INTERIM PRESIDENT

Dear Graduates,

Since its inception in 1925, San Antonio College has led the way in preparing students for rewarding careers and lifelong learning.

Guided by this mission from its earliest days to the present moment, the college has transformed San Antonio, fueling growth and economic vitality and improving the trajectory of countless lives.

Astronauts, legislators, judges, CEOs, physicians, educators, journalists, and artists have all walked through these hallways and started their professional journeys in these classrooms. Among you today are the leaders of tomorrow.

As we approach nearly 100 years of service and impact, it's time to reflect on the traditions and values that led us to where we are now. It's an opportunity to examine the legacy that led SAC to its ranking as the number-one community college in the country. It's a time to celebrate the multitude of awards and recognitions for excellence as an institution, and also the achievements of individual departments, programs, faculty, and you, our students.

It's also a pivotal moment where we determine where we go next. Just as a foundation of excellence was built over decades, this is the time to prepare for the next 100 years. Everyone at SAC now – our students, staff, faculty, and leadership – is paving the road that will take us into the future. The actions we take now will prepare our college, our students, and our community for the next century of success. And we can't do this without you.

This moment is an opportunity to appreciate all that you have accomplished. Today you join the ranks of those who helped establish SAC and nurture its growth through

Francisco E. Solis, J.D.

Interim President
San Antonio College

the decades. And you are living examples of how we have strived to make higher education an option for everyone, not just the privileged few.

For the past 100 years, SAC has not only met the existing needs of students, employers, and the community, but has also anticipated and prepared for the workforce's future needs. That mission remains unchanged. In collaboration with industry leaders and community stakeholders, we are continuously identifying the skills and knowledge that will be essential for you in a rapidly evolving world.

As we prepare for the century ahead, we remember that all of SAC's accomplishments stand on a foundation that's been a century in the making. The successes of our past and the achievements of our future share a common origin: a relentless commitment to providing a high-value education for our students, equipping you with skills you need to succeed wherever you go.

Congratulations, Class of 2025!

Sincerely,

A handwritten signature in black ink that reads "Francisco E. Solis".

KEYNOTE SPEAKER AND HONORARY DEGREE RECIPIENT

Dr. Jason Alemán is a Kingsville, Texas native and proud former San Antonio College student, who embodies the resilience and determination of a first-generation college graduate. The youngest son of migrant farmworkers, he honors their sacrifices as the foundation of his journey to academic and professional excellence.

After attending SAC, Dr. Alemán earned his bachelor's degree from The University of Texas at San Antonio and a master's from The University of Texas at Austin. He later completed his doctorate in education at Texas State University, where his dissertation explored the identity of Tejano fathers and their pivotal role in their children's educational journey.

Dr. Alemán currently serves as the senior vice president of community impact at United Way of San Antonio and Bexar County. In this role, he oversees strategic investment of \$50 million annually across 80 nonprofit organizations, driving systems-level change in areas such as education, food security, health care, housing, workforce development, and social services. Over the past 20 years, Dr. Alemán has helped shape both policy change and program design at the local, state, and federal levels.

Jason Alemán, Ph.D.

Senior Vice President
Community Impact
United Way of San Antonio
and Bexar County

In addition to his leadership at United Way, Dr. Alemán is an assistant clinical professor of social work at Angelo State University, where he teaches in both the bachelor's and master's programs. Since 2019, he has continued his commitment to giving back to the SAC community as an adjunct professor within the social work department.

Dr. Alemán's journey is a testament to the power of education, perseverance, and *comunidad*, making him a role model and advocate for creating positive community change.

San Antonio College

AA	Associate of Arts	AAT	Associate of Arts in Teaching
AS	Associate of Science	C	Certificate
AAS	Associate of Applied Science	OSA	Occupational Skills Award

Note: The appearance or absence of any name in the program does not necessarily constitute the final awarding of a degree. The official awarding of a degree requires the completion of a final degree audit. Participation in a commencement ceremony does not ensure automatic fulfillment of requirements or that a degree will be awarded at the time of the ceremony. All degrees and certificates earned will be officially documented on the student's academic transcript.

ABOUT THE CEREMONY

Academic Regalia

Academic gowns represent a tradition that comes from the Middle Ages. At the time, gowns were a daily form of dress. Today, the official color for community colleges' gowns is blue, but San Antonio College uses its signature color of 'SAC red,' while BSN candidates for graduation wear black. Graduation caps, also known as mortarboards, are worn with the tassel on the right until a degree is awarded, and then the tassel is moved to the left.

Presidential Medallion

The presidential medallion is worn by the president of the college at all commencement ceremonies as a sign of authority. The medallion is imprinted with the official seal of San Antonio College and was designed by J. Ingle, a former visual arts professor.

Mace

The faculty senate president carries a mace as a traditional symbol of authority. During the Middle Ages, the mace served the practical purpose of protecting the academic procession from local rowdies. Today, the mace is part of the heritage and pageantry of the academic procession.

Honor Cords

Gold – Phi Theta Kappa Honor Society

Black – G.P.A. of 3.5 or higher

Blue – SAC Honors Academy

Purple – Distinguished Graduate

Silver – Student Ambassador

Red, White & Blue – Military Service

Red & Platinum – Student Government Association

Black & Platinum – National Society of Leadership & Success

Blue, White & Gold – PATH Program

Graduating with Honors

Students who earn a cumulative GPA of 3.5 or higher are recognized as “graduating with honors.” The students wear black cords as part of the academic regalia.

Distinguished Graduates

Every year, each academic department at San Antonio College recognizes one outstanding graduate. Students receive special recognition at the commencement ceremony by wearing a purple cord to signify their status.

Phi Theta Kappa Honor Society

Phi Theta Kappa is the international honor society for community, technical and junior colleges. It is based on four hallmarks: scholarship, leadership, fellowship and service. For membership, each candidate must have completed 12 semester hours of associate degree work with a 3.5 GPA, adhere to the school conduct codes and possess recognized qualities of leadership.

Student District Council

The delegates of the Student District Council (SDC), a district-wide representative council for the student governments of the colleges within the Alamo Colleges District, are the collective voice for the Alamo Colleges District student body. The SDC delegates are instrumental in leading and effecting positive change for all students. SDC delegates are represented by the blue and white stole.
